welcome to wumpas world  
Created by Micky Kumar  
You can see 4 board  
To Play, just type the number  
of the cave you wish to enter next  
you are in board (1, 1)  
you have: 1001  
which cave next
```

>2

```
you are in board 2  
you have: 1001  
I received a Stench. A wumpus is close by  
I felt a breeze pit close by  
which cave next
```

>3

```
990  
you killed the wumpus  
you are in board 3  
you have: 1001  
which cave next
```

>4

```
you are in board 4  
you have: 1001  
I received a Stench. A wumpus is close by  
gold close by  
which cave next
```

>6

```
you are in board 6  
you have: 1001  
gold close by  
which cave next
```

>5

```
2000  
Agent received the gold. You win!!!  
you can climb up
```
